

Thanks for a great year!

Thank you to everyone who made the 2024 Season of the Bremerton Community Farmers Market a great success! We are proud to provide a space year after year for people to gather and shop locally from familiar farmers, produce resellers, artisans, food processors, and food vendors.

This past season we hosted many new vendors who turned into new friends. The Chef at the Market program was held four times and was headed by Chef Robert Nash. Thrive Yoga Manette held classes twice a month. The Kids Market Bucks Club met six times with 4 participants completing all six activities. Music at the Market hosted local musicians each week except when we were visited by The Concert Truck. And there were many more opportunities throughout the season for everyone to have fun!

The BCFM Board of Directors and Staff are busy planning an even better 2025 farmers market season. The market will be open every Thursday from May 1st through October 9th, 4:00pm to 7:00pm. We look forward to seeing you all on Opening Day!

2024 By The Numbers

14,401 - The number of market attendees for the 2024 season.

26 - The average number of vendors who attended the market each week.

\$3,531 - The average vendor sales per operating hour of the market.
